

TP décide de demander
à son amie Zara de
l'accompagner

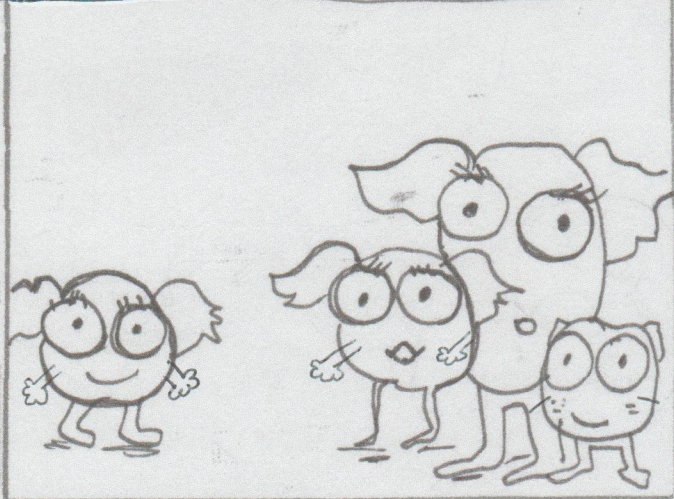

Voilà
j'aimerais
que mon
père pour
voir la forme
de la terre

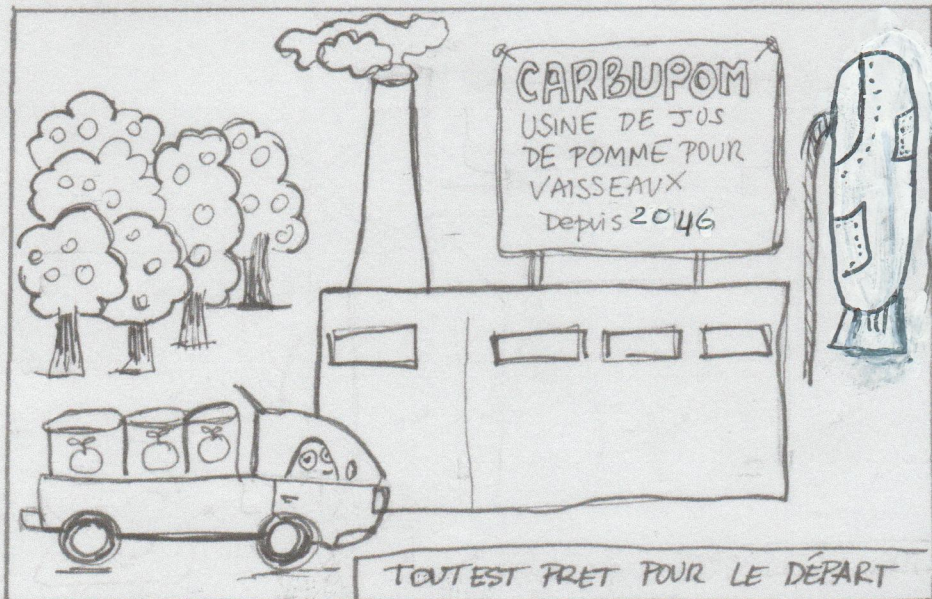

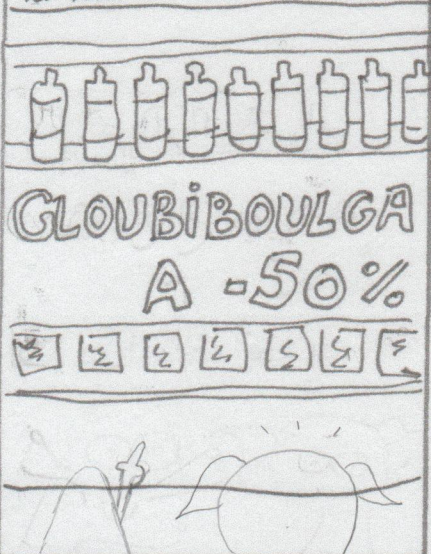

T.P. PRESENTE SON PROJET AUX
SCIENTIFIQUES DE VERNANT

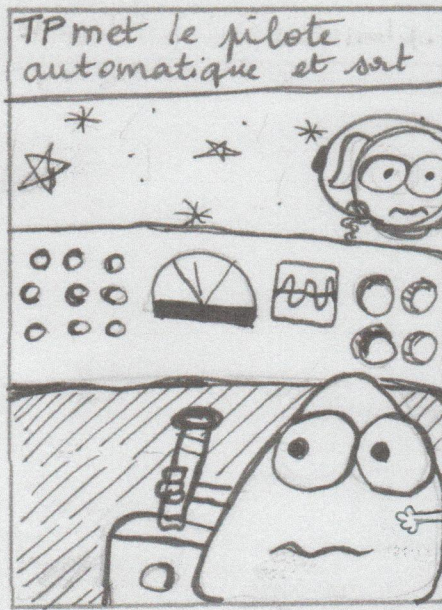

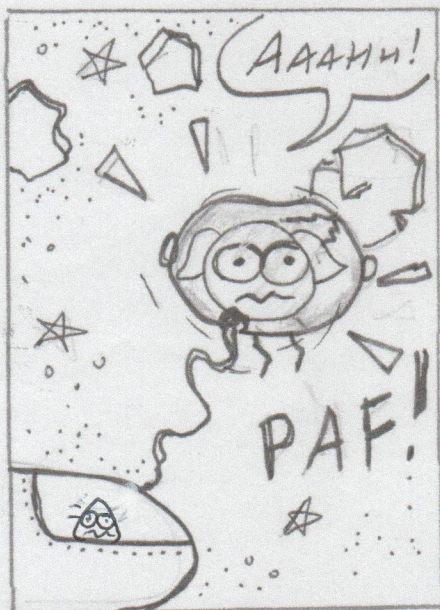

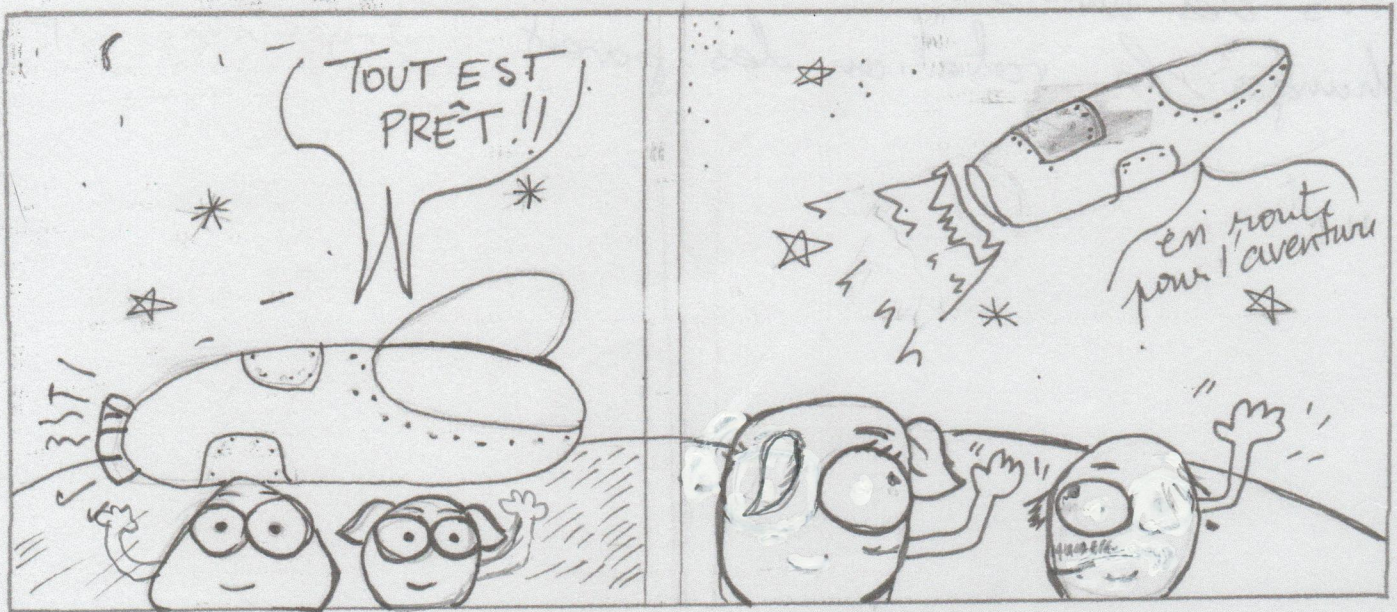

Zara et T.P. réservent un vaisseau
et embrassent leur famille

ILS FONT DES PROVISIONS

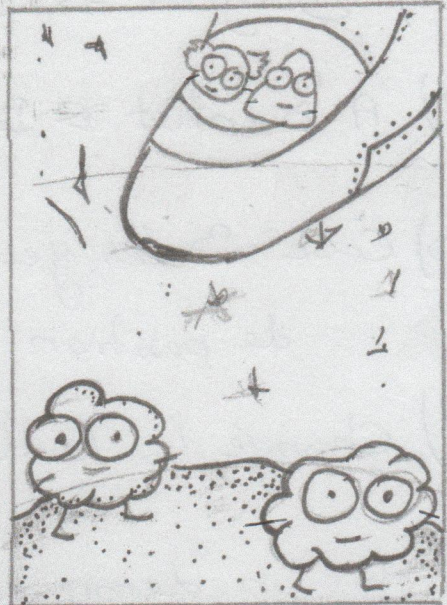

Ils haveurent plusieurs
systèmes solaires,

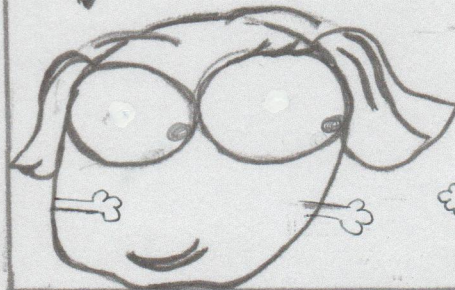

Oh!!!
regarde
une
planète

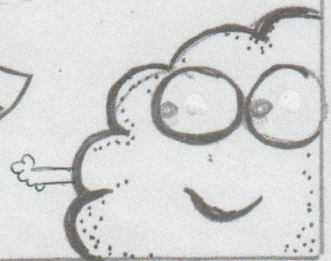

Bon rêve et
bienvenue sur
la planète
Dream.

Bonjour, on arrive au
bout de nos réserves.
Pouvez-vous nous donner
à manger s'il vous plaît?

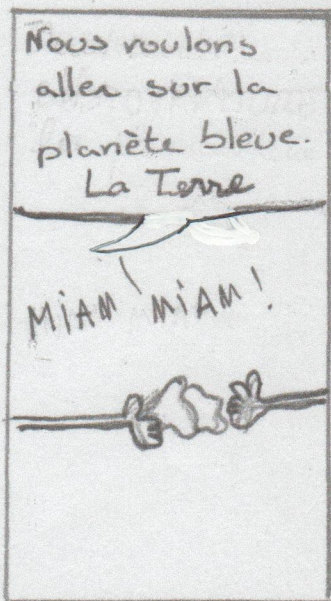

Bien sûr!
Mais
où
allez-
vous?

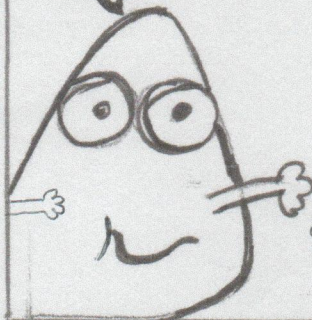

Nous voulons
aller sur la
planète bleue.
La Terre

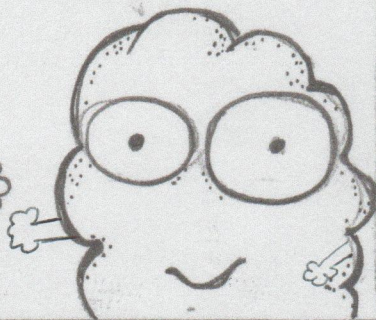

MIAM MIAM!

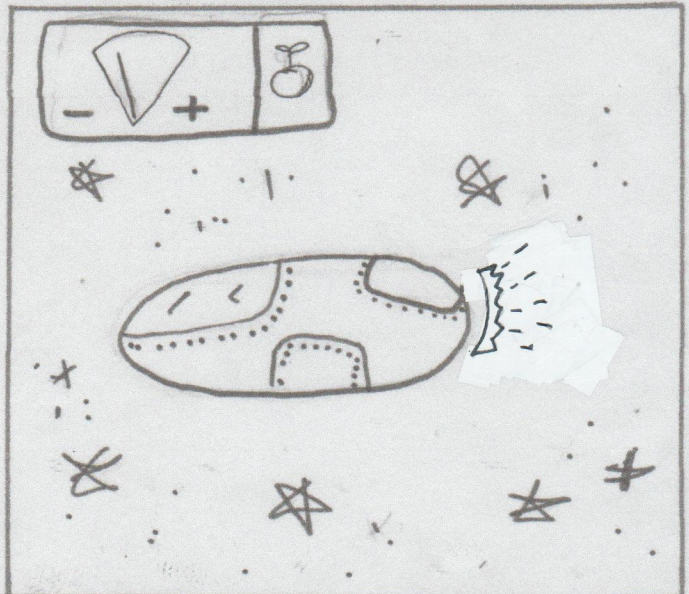

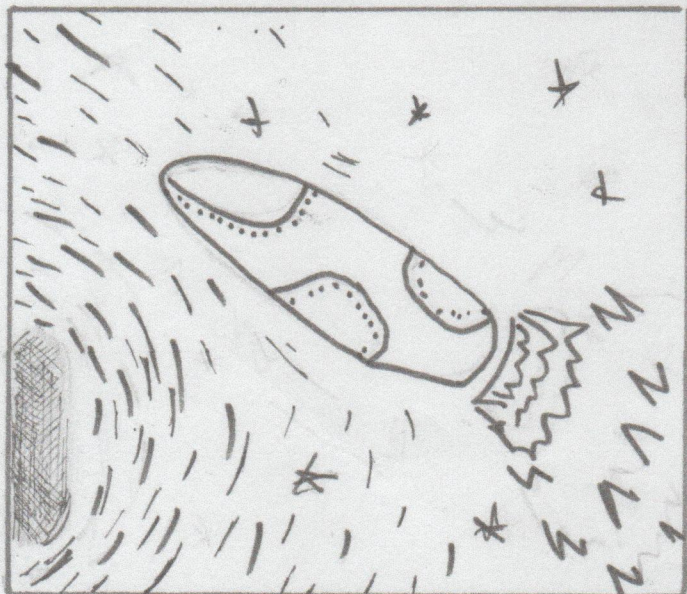

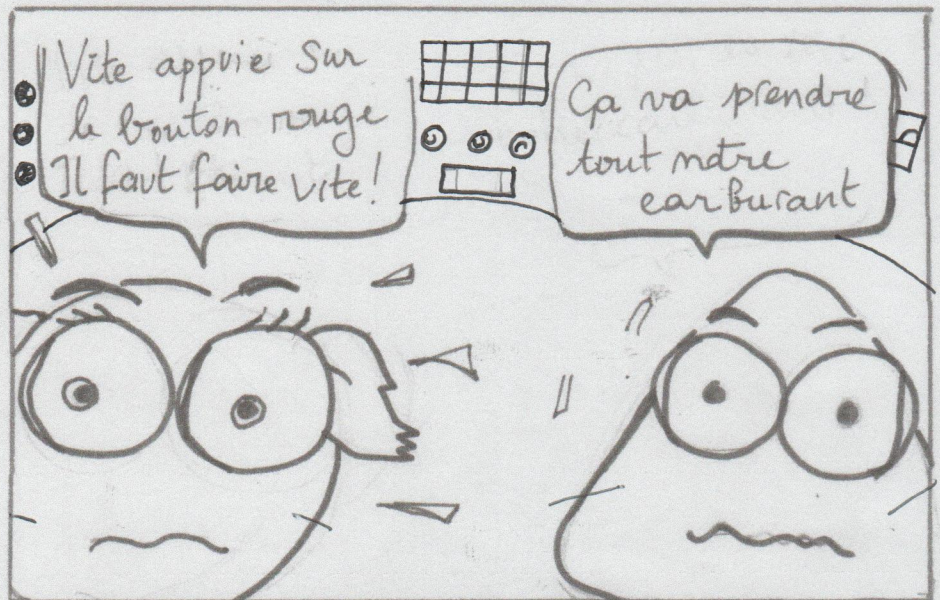

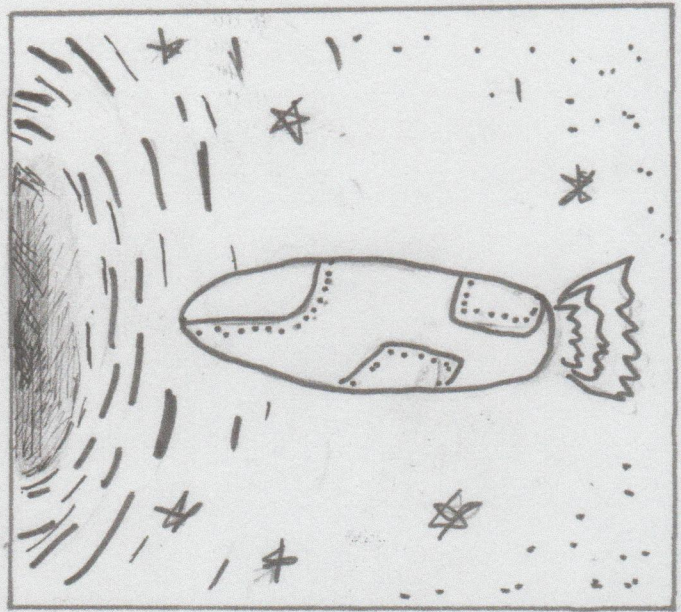

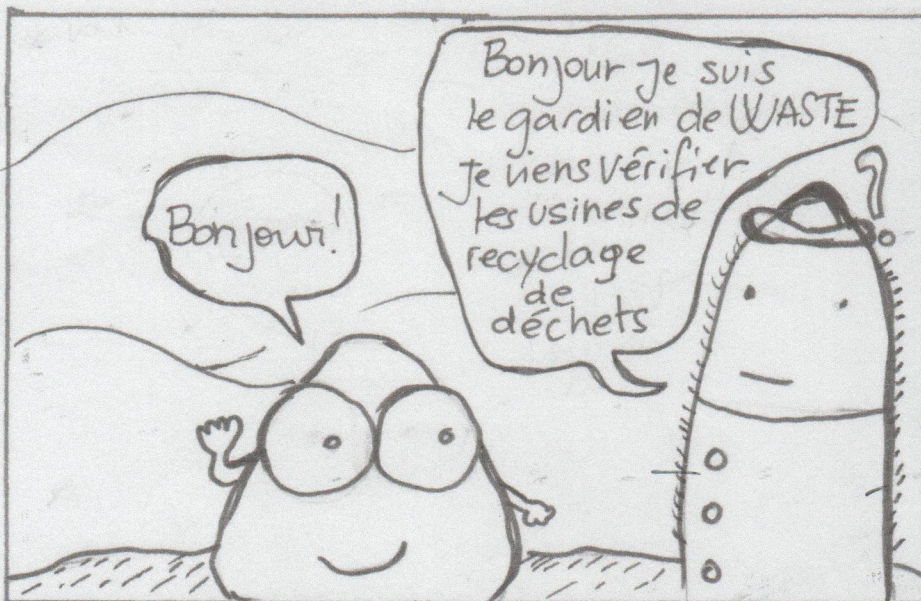

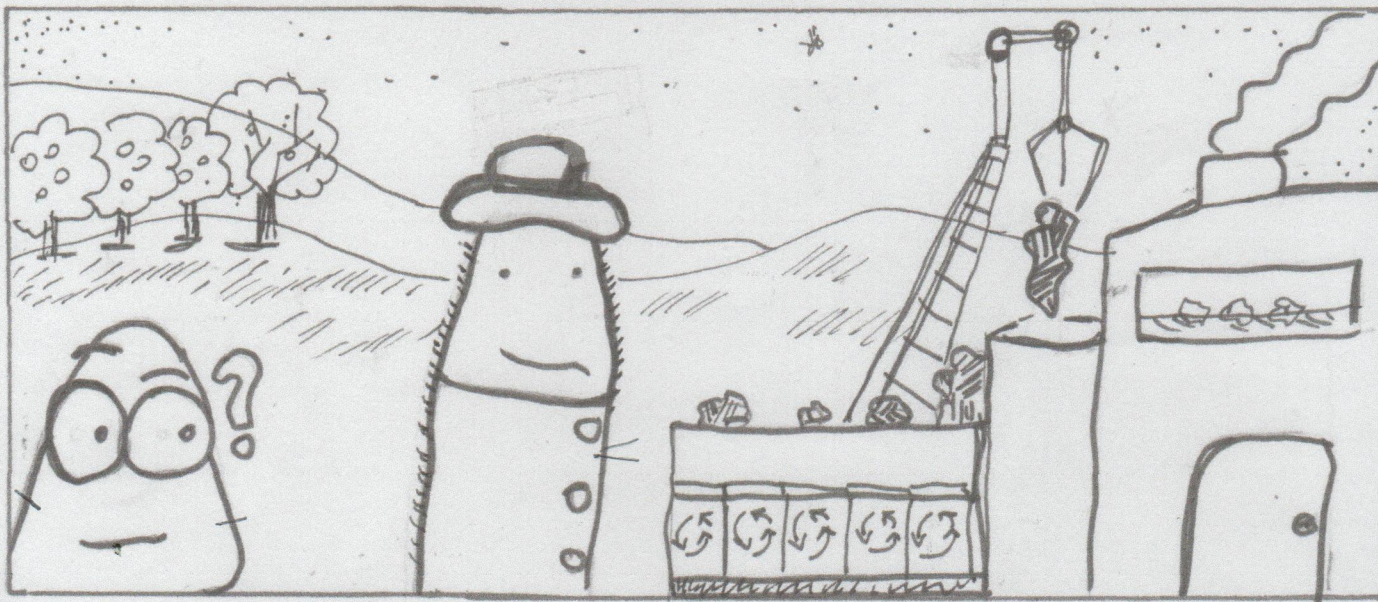

Merci,
Bonne
nuit

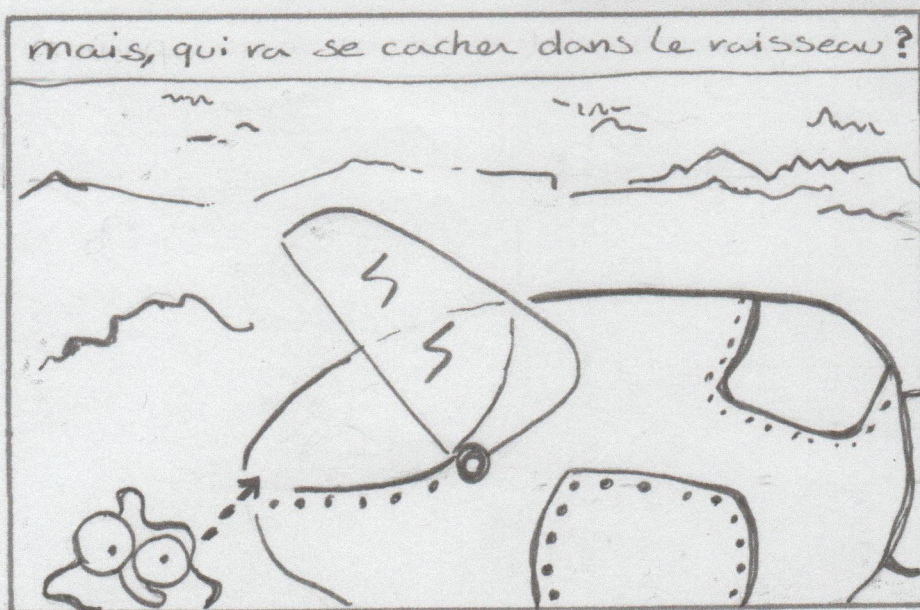

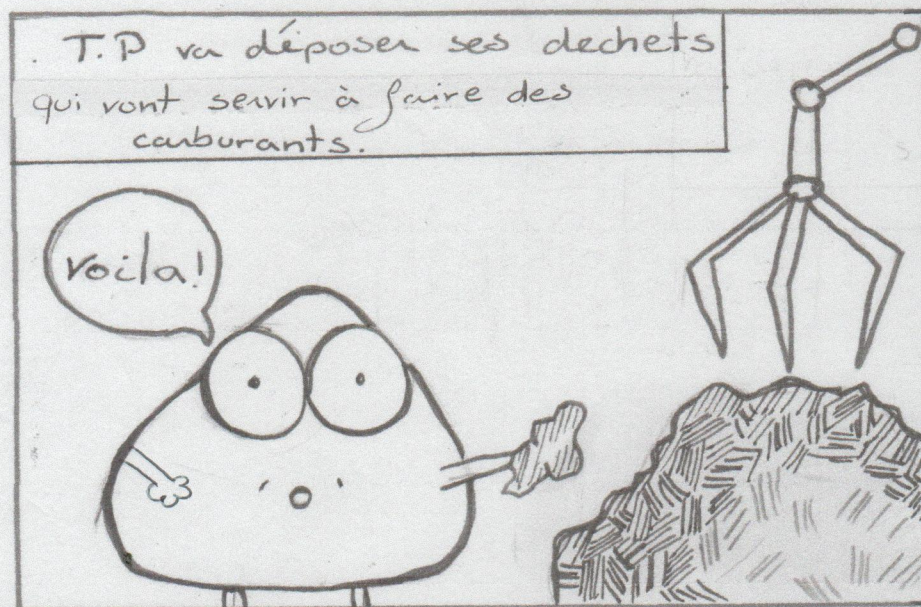

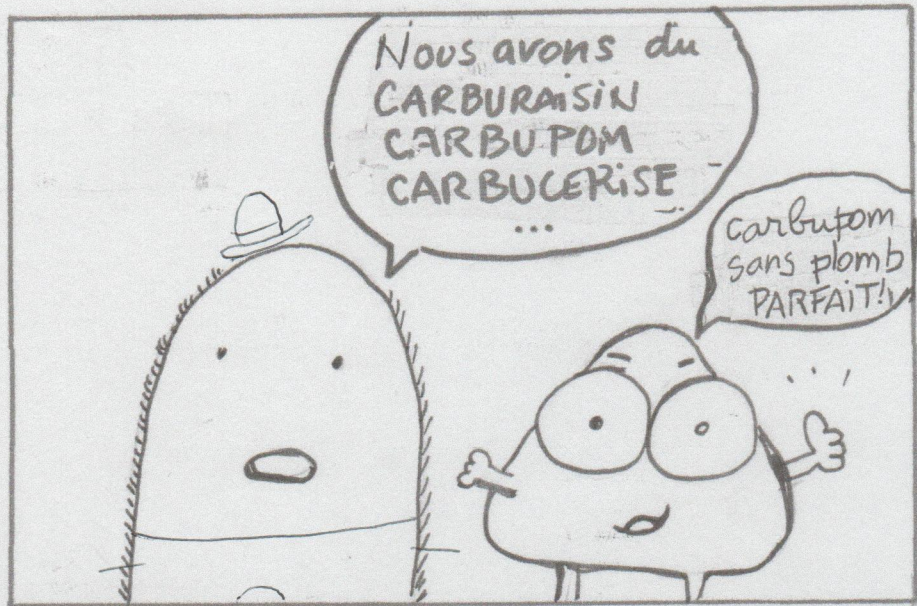

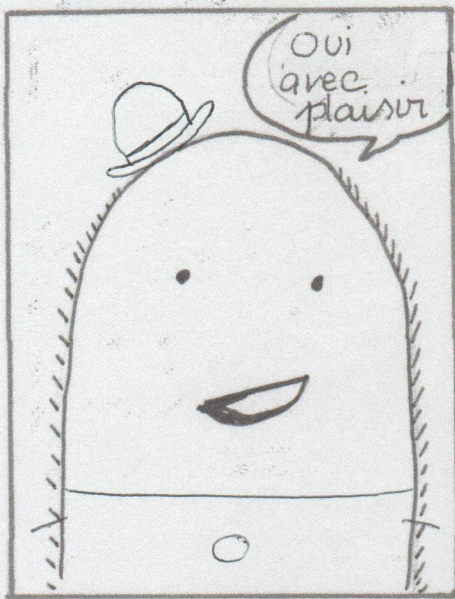

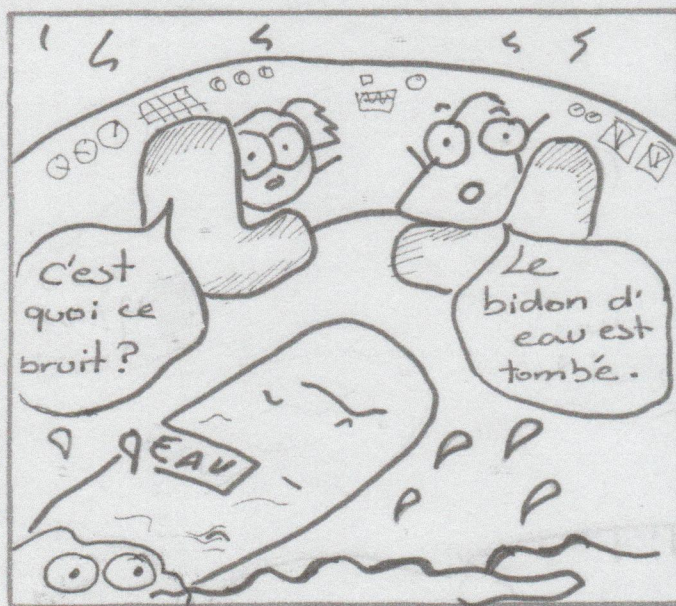

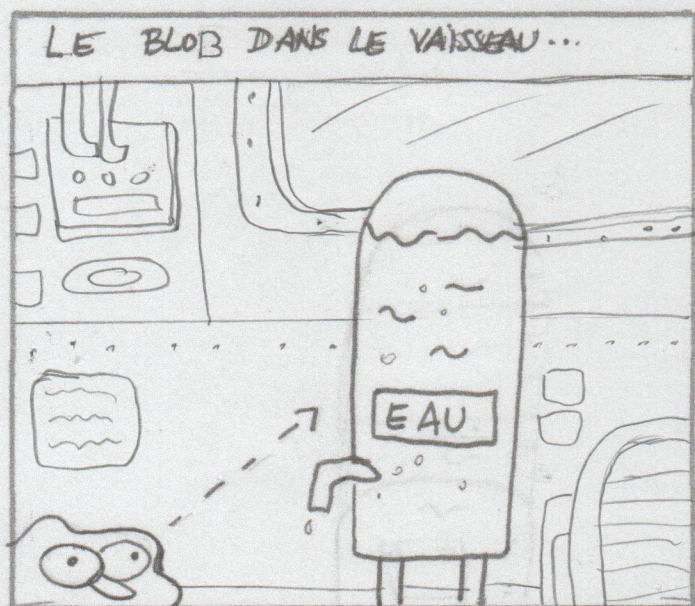

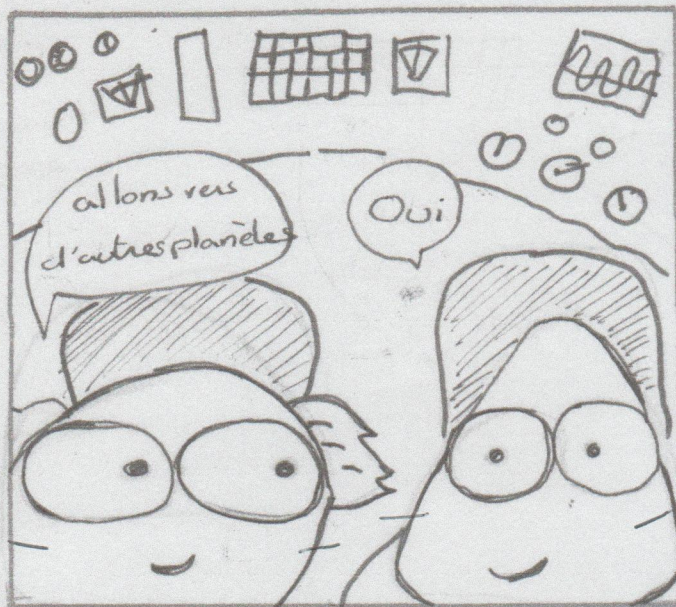

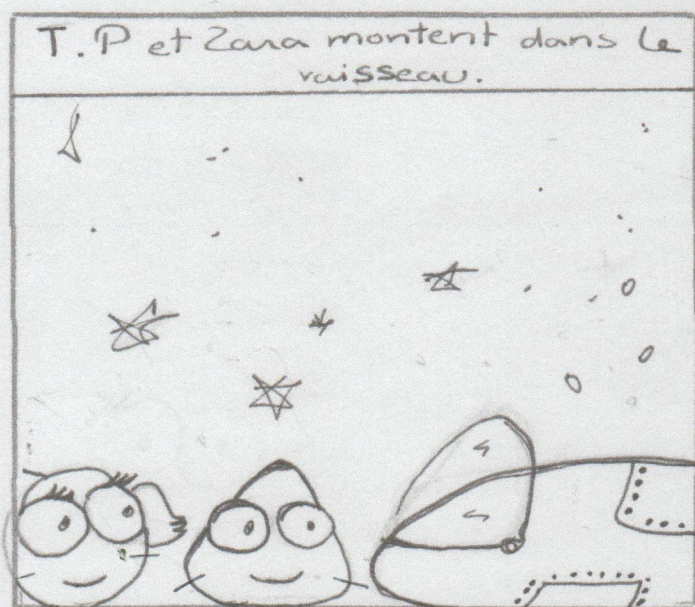

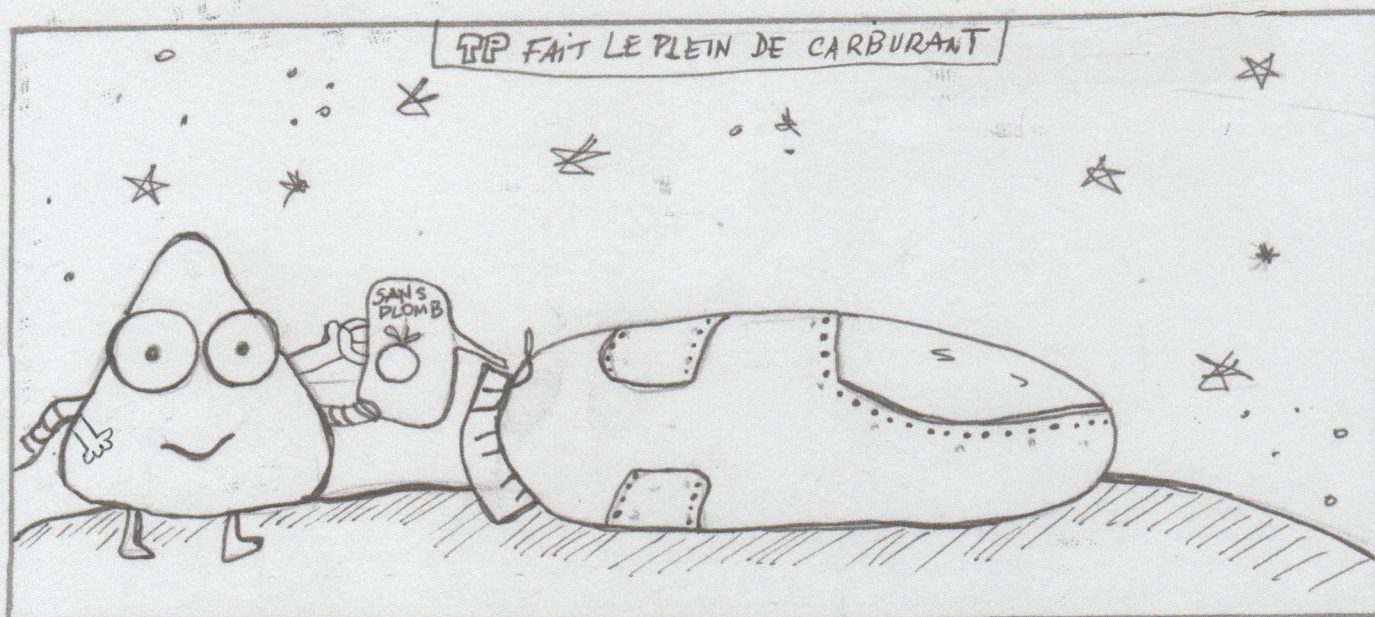

A Bientôt
et FAITES de
Beaux Rêves

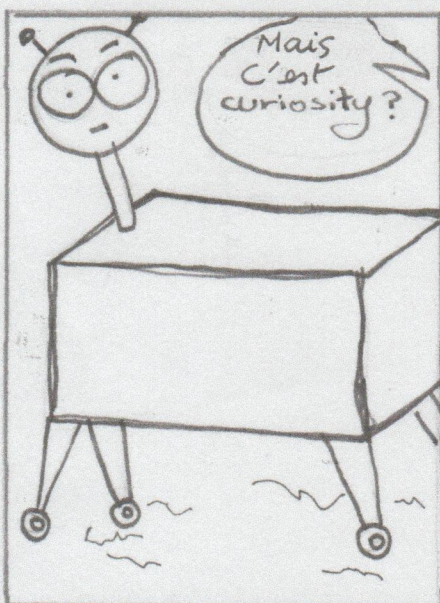

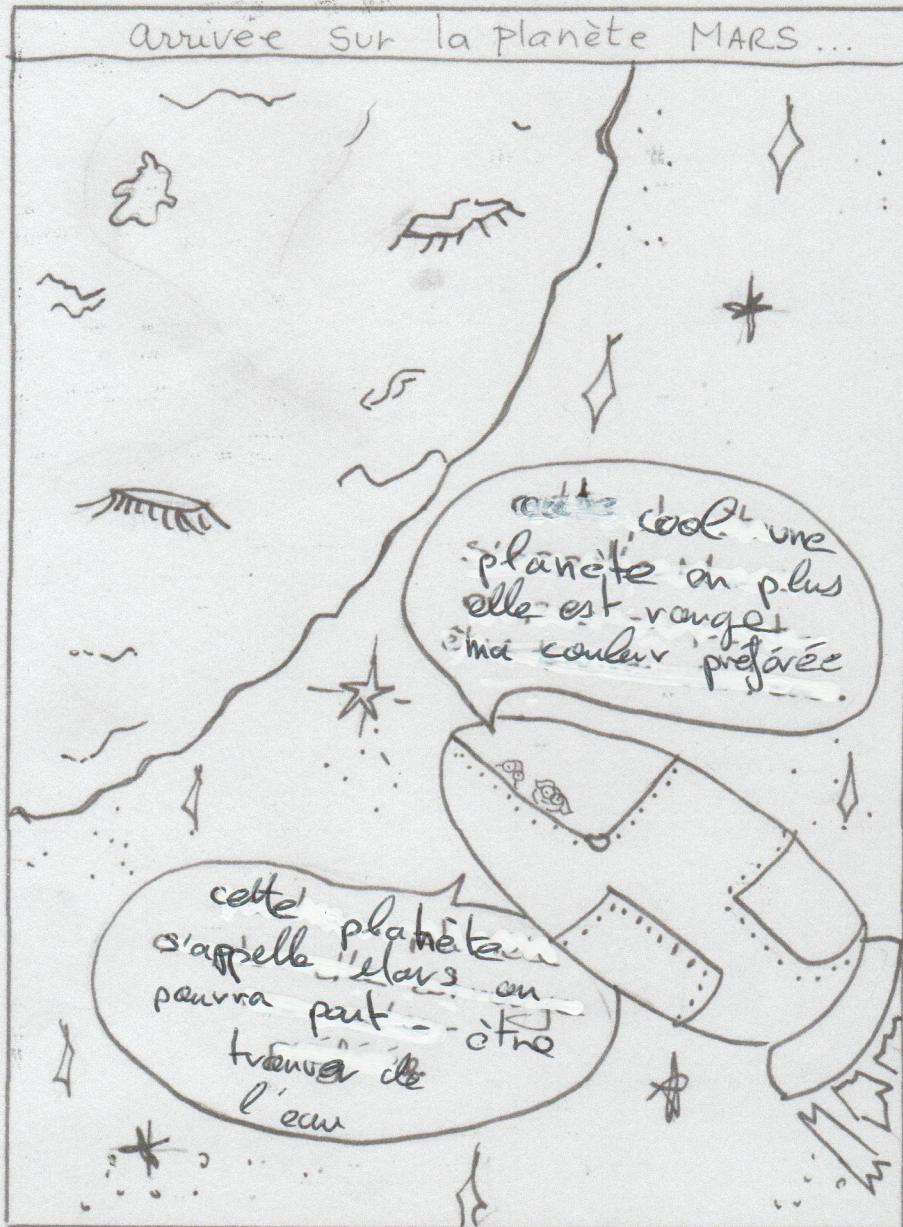

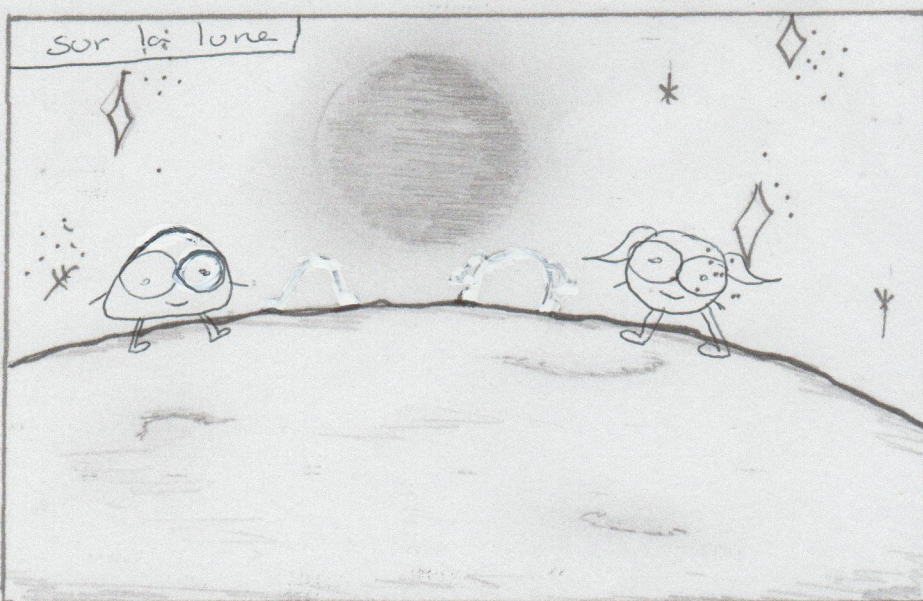

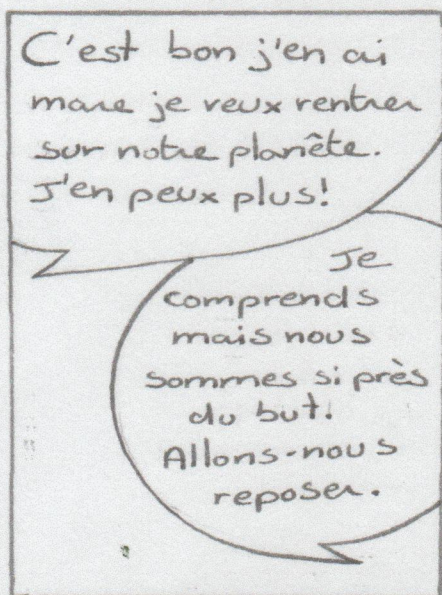

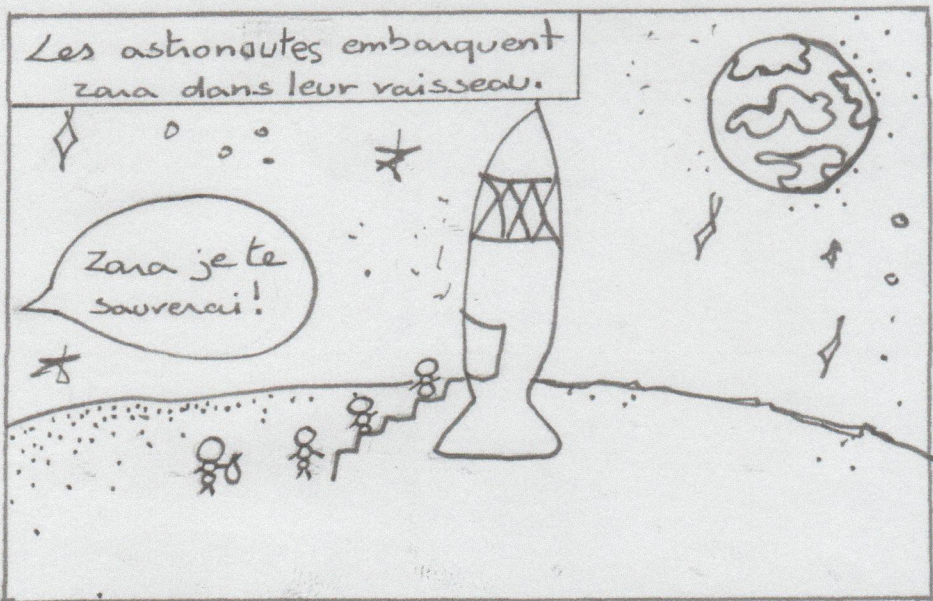

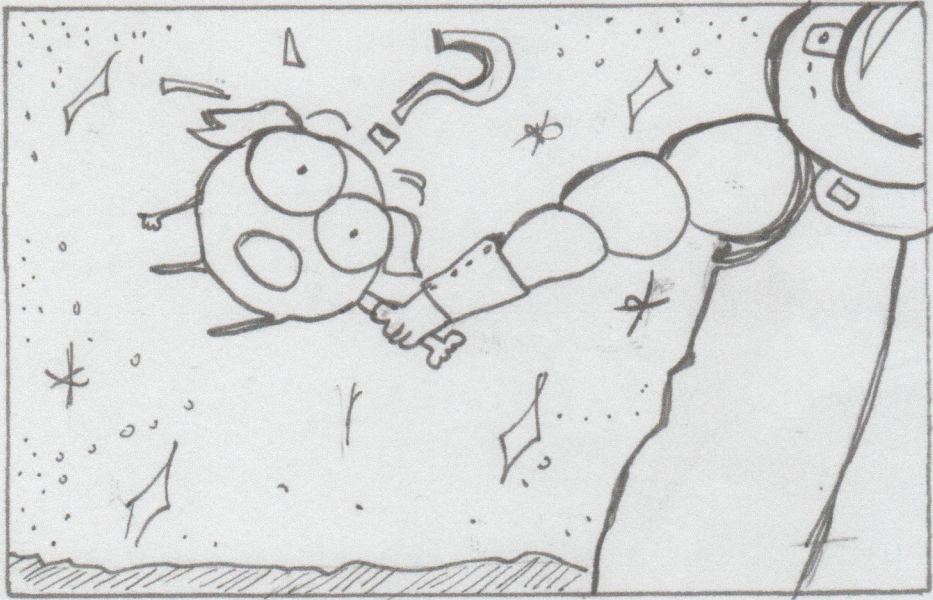

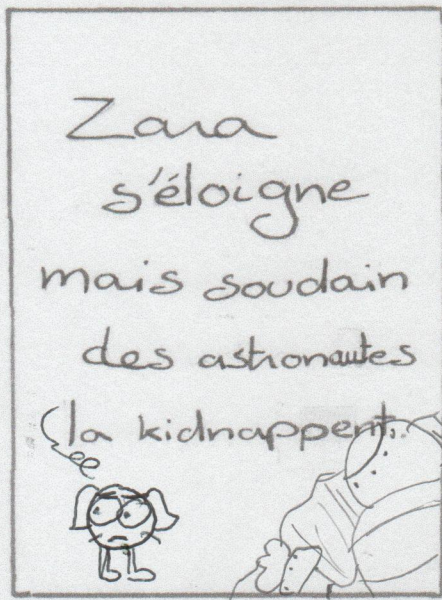

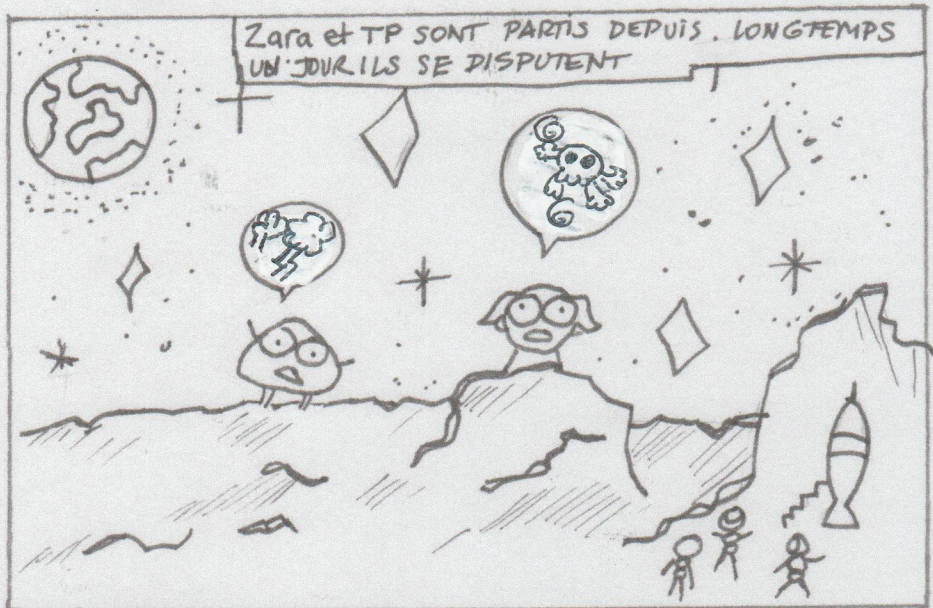

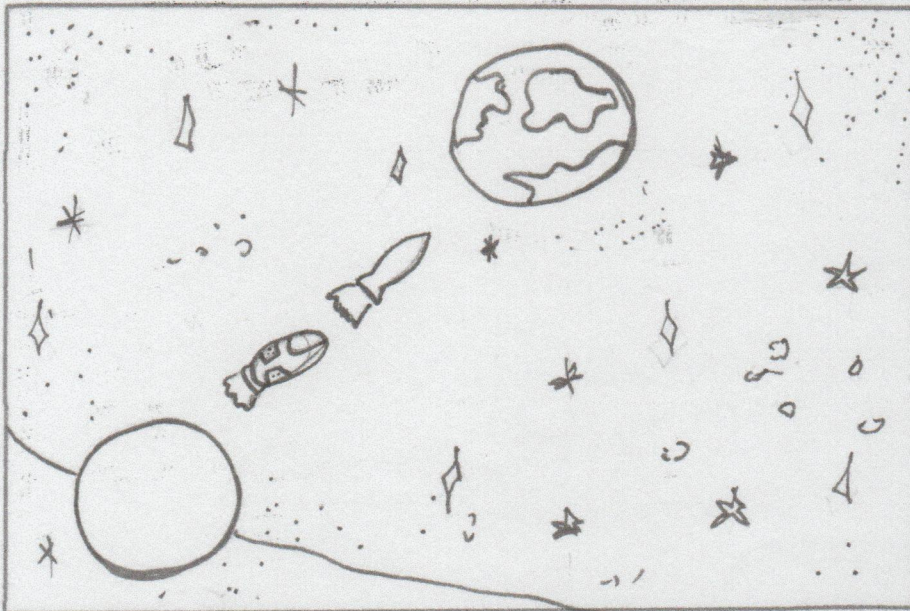

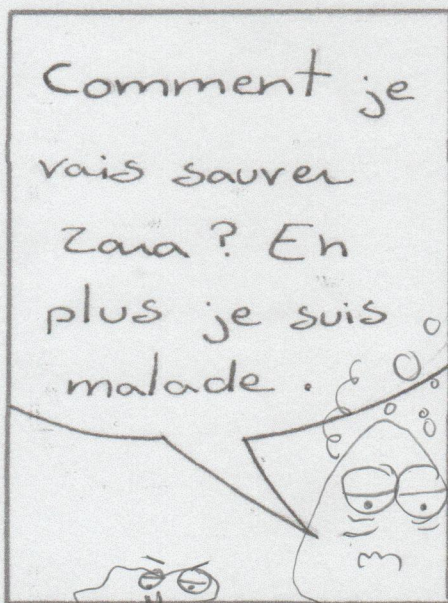

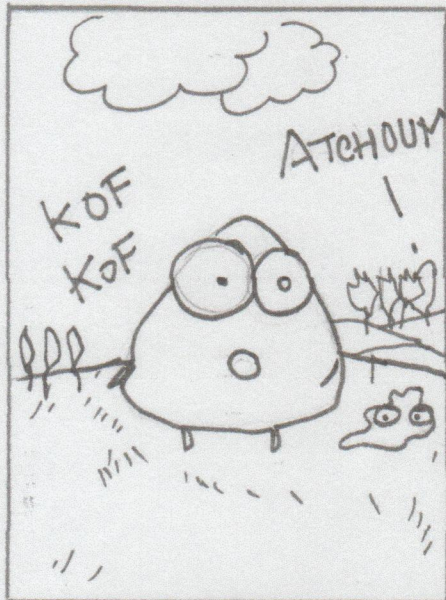

Sur
la
Terre.

Comment je
vais sauver
Zara ? En
plus je suis
malade .

explication du remède:

Il faut que
tu prennes
un brin d'
herbe et que
tu le manges.

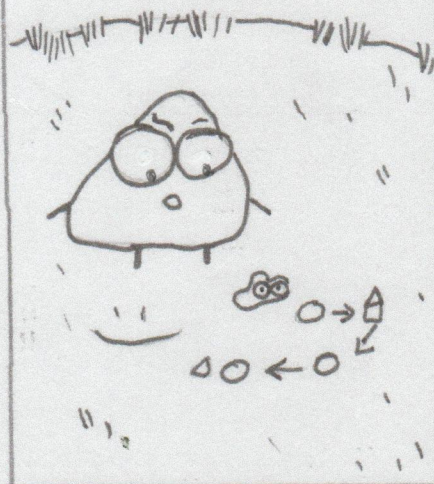

Ouf, tu avais
raison - ça va
deja mieux

Je vais lui faire
un plan pour trouver
ou se trouvent les
astronautes.

Le blob montre le
plan à T.P.

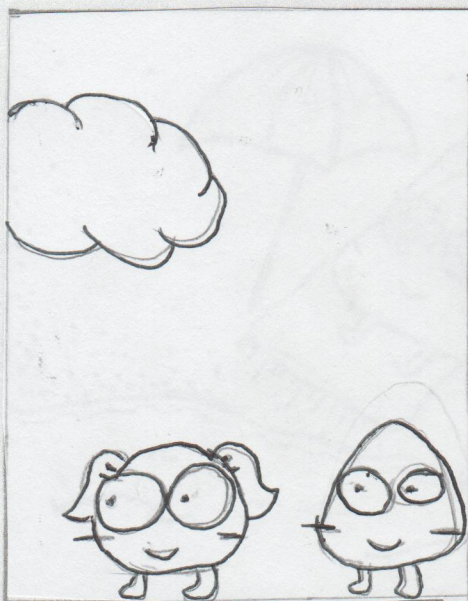

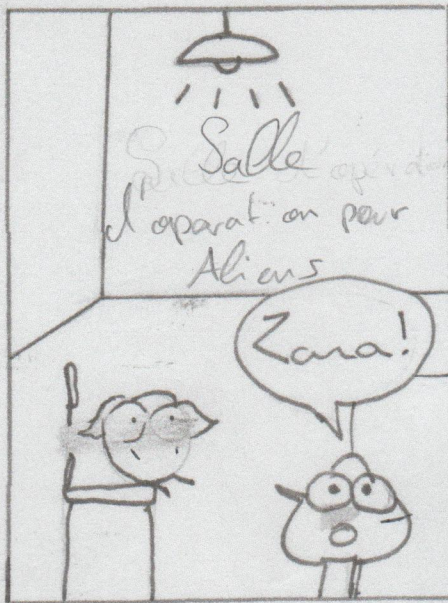

Ça doit
être cette
maison.

Salle d'opération pour
Aliens

Zara!

THE
END

Remerciements:

- Merci à Elias du Chateau sauvage, à Frédéric Pitout astrophysicien à l'IRAP.
- Merci également à Thomas Pesquet de nous avoir si bien inspiré.

Cette bande dessinée a été réalisée par les élèves de l'atelier scientifique du collège Jean-Pierre Vernant:
